ARTHALAND CORPORATION is a world-class boutique real estate developer of enduring and sustainable properties. ALCO has built its mark in the Philippine real estate market by giving its commitment to sustainability and innovation, and by developing and managing properties that adhere to the global and national standards in green buildings.

ArthaLand Corporation (“**ALCO**”, the “**Company**”, or the “**Issuer**”), a corporation duly organized and existing under Philippine law, has obtained approval for the shelf registration in the Philippines of up to ₱6,000,000,000.00 fixed rate public debt securities (the “**Bonds**”).

The Bonds are to be issued in tranches within a period of three (3) years from the effective date of the Registration Statement, subject to applicable regulations (the “**Shelf Period**”). The initial tranche of the Bonds will consist of ASEAN green bonds which will be issued pursuant to SEC Memorandum No. 12, Series of 2018 or the Guidelines for Issuance of ASEAN Green Bonds (the “**SEC Green Bond Guidelines**”). It is intended that subsequent tranches may likewise consist of ASEAN green bonds, subject to compliance with the SEC Green Bond Guidelines. The specific terms of the Bonds for each tranche will be determined by the Company in consideration of the prevailing market conditions and will be provided in an Offer Supplement to be issued at the time of the offering of the relevant tranche.

On [●], the registration statement filed by the Company covering the Bonds was rendered effective by the Securities and Exchange Commission (“**SEC**”) in its order, and a certificate of permit to offer securities for sale for the up to [₱2.0 Billion] with an oversubscription of up to [₱1.0 Billion] initial tranche of the Bonds (the “**Initial Tranche of the ASEAN Green Bonds**” or the “**ASEAN Green Bonds**”) was issued. After the issuance of the Initial Tranche of the ASEAN Green Bonds, ALCO would have bond securities issued and outstanding of ₱2.0 Billion assuming the Oversubscription Option is not exercised, and ₱3.0 Billion assuming the Oversubscription Option is fully exercised.

This document constitutes the Offer Supplement relating to the ASEAN Green Bonds described herein. Unless defined in this Offer Supplement, terms used herein shall be deemed to be defined as set forth in the Prospectus. This Offer Supplement contains the terms of the Offer and must be read in conjunction with the Prospectus, the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Application to Purchase, the Trust Agreement, and applicable laws and regulations. Full information on the Company and the Offer is available on the basis of the combination of the Offer Supplement, the Prospectus, the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Trust Agreement, the Application to Purchase and applicable laws and regulations. All information contained in the Prospectus are deemed incorporated by reference in the Offer Supplement.

The ASEAN Green Bonds to be offered and issued out of the shelf registration (the “**Offer**”) will consist of up to [₱2,000,000,000.00] Bonds, with an oversubscription option of up to [₱1,000,000,000.00]. After the Offer, there will be ₱4,000,000,000.00 remaining under shelf registration assuming the Oversubscription Option is not exercised, and ₱3,000,000,000.00 remaining under shelf registration assuming the Oversubscription Option is fully exercised. For purposes of the Offer of the ASEAN Green

Bonds, the Issuer prepared a Prospectus dated [26 November] 2019 (the “**Prospectus**”) and this Offer Supplement dated [26 November] 2019 (the “**Offer Supplement**”). The ASEAN Green Bonds are being issued under the ALCO’s Green Finance Framework which is aligned with the ASEAN Capital Markets Forum’s (ACMF) ASEAN Green Bond Standards 2018. ALCO’s Green Finance Framework is also aligned with the International Capital Market Association’s (ICMA) Green Bond Principles 2018.

The ASEAN Green Bonds shall have a term ending five (5) years from the issue date of [•] (the “**Issue Date**”), or on [•] 2024 (the “**Maturity Date**”), with a fixed interest rate of [•] per annum and an early redemption option on the 3rd and 4th anniversary of the Issue Date. Interest on the [ASEAN Green Bonds] shall be payable quarterly in arrears on [•], [•], [•], and [•] of each year while the ASEAN Green Bonds are outstanding, or the subsequent Banking Day without adjustment if such Interest Payment Date is not a Banking Day. The last Interest Payment Date shall fall on the relevant Maturity Date while the ASEAN Green Bonds are outstanding.

The Company expects to raise gross proceeds of up to [₱2,000,000,000.00] or, if the Oversubscription Option is exercised, up to [₱3,000,000,000.00.] The Company estimates that the net proceeds from the Offer shall amount to, after fees, commissions and expenses, approximately ₱[1,958,366,119.02] for a [₱2,000,000,000.00] issue size, and approximately ₱[2,945,350,461.12] for a ₱3,000,000,000.00 issue size. The net proceeds of the Offer shall be used primarily to fund the required investment from ALCO to acquire properties for the Manila Long Term Project which will be an Eligible Green Project, to fund additional investment in Savya Financial Center or other Eligible Green Projects to allow ALCO to retain office and retail units to increase its recurring income base, and in the event of exercise of the oversubscription option, to partially fund scheduled repayments of the loan that financed ACPT which qualifies as an Eligible Green Project under ALCO’s Green Finance Framework. For a more detailed discussion on the use of proceeds, see “**Use of Proceeds**” of this Offer Supplement.

The underwriting fees and any selling fees to be paid by the Company in relation to the Offer shall be equivalent to [0.50%] of the gross proceeds of the Offer. This shall be inclusive of underwriting fees to be paid to BDO Capital & Investment Corporation (“**BDO Capital**”) and ING Bank, N.V., Manila Branch (“**ING**”) in their capacity as the joint lead underwriters and joint bookrunners (the “**Joint Lead Underwriters**”), [which is inclusive of the fee to be ceded to any Co-Lead Managers and in accordance with the terms of the Underwriting Agreement.]

ALCO intends to cause the listing of the ASEAN Green Bonds on the Philippine Dealing & Exchange Corporation (“**PDEX**”) for this purpose. However, there can be no assurance that such a listing will actually be achieved either before or after the Issue Date or whether such a listing will materially affect the liquidity of the ASEAN Green Bonds on the secondary market. Such listing would be subject to the Company’s execution of a listing agreement with PDEX that may require the Company to make certain disclosures, undertakings and payments on an ongoing basis.

ALCO reserves the right to withdraw any offer and sale of the ASEAN Green Bonds at any time, and the Joint Lead Underwriters for the ASEAN Green Bonds reserve the right to reject any application to purchase the ASEAN Green Bonds in whole or in part and to allot to any prospective purchaser less than the full amount of the ASEAN Green Bonds sought by such purchaser. If the Offer is withdrawn or discontinued, ALCO shall subsequently notify the SEC and, as applicable, the PDEX. The Joint Lead Underwriters, [any participating underwriter, co-manager and selling agent] for any particular offer of the ASEAN Green Bonds may acquire for their own account a portion of the ASEAN Green Bonds.

All disclosures, reports, and filings of the Company made after the date of the Prospectus (the “**Company Disclosures**”) and submitted to the SEC [and/or the PDEX] pursuant to the Revised Corporation Code (the “**Corporation Code of the Philippines**”), the Securities Regulation Code and its

Plan of Distribution

Shelf Registration

On 14 October 2019, the Board of Directors of the Company approved for the shelf registration (the “**Shelf Registration**”) in the Philippines of up to P6,000,000,000.00 fixed rate public debt securities (the “**Bonds**”) to be issued within a period of three (3) years from the date of the effectivity of the Registration Statement (the “**Shelf Period**”). Also on 14 October 2019, the Board of Directors authorized the offer and sale of the ASEAN Green Bonds in the amount of up to ₱3,000,000,000 (the “**Offer**”). [On [•], the Board of Directors approved the terms and conditions of the offer of the ASEAN Green Bonds].

Issuance in Tranches

After the close of the Offer and within three (3) years following the effectivity date of the Registration Statement, ALCO may, at its sole discretion, offer any or all of the remaining balance of the aggregate principal amount of Bonds covered by such registration statement, in one or more subsequent tranches under Rule 8.1.2 of the Implementing Rules and Regulations of the Securities Regulation Code. Such a shelf registration provides ALCO with the ability to conduct such an offering within a comparatively short period of time. ALCO believes that this provides it with the increased ability to take advantage of opportunities in a volatile debt capital market, as these occur. Any subsequent offering under such rule requires the submission by ALCO of the relevant updates and amendments to the registration statement and the issuance of the corresponding SEC Permit by the SEC. As a listed company, ALCO regularly disseminates such updates and information in its disclosures to the SEC and PSE. It is intended that subsequent tranches may likewise consist of ASEAN green bonds, subject to compliance with the SEC Guidelines on ASEAN Green Bonds.

At any time, which may include periods shortly following the completion of the Offer, ALCO may initiate subsequent offers of other Bonds in various tranches from the balance of the aggregate principal amount of Bonds that will remain unissued from the Shelf Registration. Such subsequent offers may be conducted on different terms and tenors involving different issue managers, underwriters or other transaction parties. ALCO regularly considers prevailing market conditions and opportunities in relation to such offers that are permitted within the three (3) year effectivity of the Shelf Registration.

However, there can be no assurance in respect of: (i) whether ALCO would issue any such Bonds at all; (ii) the size or timing of any individual issuance or the total issuance of such Bonds; or (iii) the tenor, interest rate or other specific terms and conditions of any such issuance. Any decision by ALCO to offer such Bonds will depend on a number of factors at the relevant time, many of which are not within ALCO’s control, including but not limited to: prevailing interest rates, the financing requirements of ALCO’s business and prospects, market liquidity and the state of the domestic capital market, and the Philippine, regional and global economies in general.

The Underwriters of the ASEAN Green Bonds Offer

BDO Capital and ING, pursuant to an Underwriting Agreement with ALCO dated [•], 2019 (the “**Underwriting Agreement**”), have agreed to act as the Joint Lead Underwriters for the Offer and as such, distribute and sell the ASEAN Green Bonds at the Issue Price, and have also committed to underwrite in total up to [₱2,000,000,000] of the Offer on a firm basis, in either case subject to the satisfaction of certain conditions and in consideration for certain fees and expenses.

For the Offer of ASEAN Green Bonds, the Joint Lead Underwriters and Joint Bookrunners will receive a fee of [0.50%] on the principal amount of the ASEAN Green Bonds issued, [which is inclusive of the fee to be ceded to any Co-Lead Manager in accordance with the terms of the Underwriting Agreement.] Such fee shall be inclusive of underwriting and participation commissions. The commitments of the Joint Lead Underwriters are as follows:

Underwriter	Commitment
BDO Capital	[₱1,000,000,000.00]
ING	[₱1,000,000,000.00]
Total	[₱2,000,000,000.00]

There is no arrangement for the Joint Lead Underwriters to return any unsold portion ASEAN Green Bonds to ALCO. The Underwriting Agreement may be terminated in certain circumstances prior to payment being made to ALCO of the net proceeds of the ASEAN Green Bonds.

The [Joint Lead Underwriters] are duly licensed by the SEC to engage in underwriting or distribution of the ASEAN Green Bonds. The Joint Lead Underwriters may, from time to time, engage in transactions with and perform services in the ordinary course of its business for ALCO. The [Joint Lead Underwriters] have no direct relations with ALCO in terms of ownership by either of their respective major stockholder/s.

BDO Capital, one of the Joint Lead Underwriters, is a subsidiary of BDO Unibank, Inc., which serves as the Trustee. BDO Unibank, Inc., is likewise the lender for the ACPT Loan, as further discussed in the “Use of Proceeds” section of this Offer Supplement.

Hans B. Sicat is currently the Managing Director and Country Manager for ING Bank, N. V., Manila Branch and is an independent director of ALCO since June 30, 2017. His biography is further discussed in page [104] of ALCO’s Prospectus.

Sale and distribution

The distribution and sale of the ASEAN Green Bonds shall be undertaken by the Joint Lead Underwriters who shall sell and distribute the ASEAN Green Bonds to third party buyers/investors. Nothing herein shall limit the rights of the Joint Lead Underwriters from purchasing the ASEAN Green Bonds for their own respective accounts should there be any unsold ASEAN Green Bonds after the Offer Period.

[For the purpose of complying with their respective commitments under the Underwriting Agreement, each Joint Lead Underwriter has, under such terms and conditions not inconsistent with the provisions of the Underwriting Agreement, appointed Co-Lead Managers for the sale and distribution to the public of the Offer Bonds.]

(c) [ASEAN Green] Bond Rating

[The ASEAN Green Bonds have been rated PRS Aa minus with a Stable Outlook by Philippine Rating Services Corporation (“PhilRatings”) on November 12, 2019. Obligations rated PRS Aa are of high quality and are subject to very low credit risk. A plus or minus sign may further qualify a credit rating. In coming up with the rating for the ASEAN Green Bonds, PhilRatings considered the following factors: (1) globally highly recognized real estate developer of dual certified (locally and internationally) green projects in the Philippines; (2) sustained industry growth supported by resilient demand and relatively good economic performance; (3) relatively conservative approach on the management of debt and cost estimates coupled with adequate liquidity; (4) relatively trailing asset size and scale of the Company and operating history in relation to other rated real estate companies; and (5) volatility of revenues and net income in the last five years, with signs of sustainable growth moving forward backed by a steady project pipeline in the medium term.

PhilRatings’ credit ratings are based on available information and projections at the time that the rating review was performed. PhilRatings shall continuously monitor developments relating to ALCO and may change the ratings at any time, should circumstances warrant a change. The rating is subject to annual review, or more frequently as market developments may dictate, for as long as the relevant ASEAN Green Bonds are outstanding. After Issue Date, the Trustee shall monitor the compliance of the ASEAN Green Bonds with the regular annual reviews.

Should this transaction occur, the tax-exempt entity shall be treated as being of the same Tax Category as its taxable counterpart for the interest period within which such transfer occurred. For purposes hereof, "Tax Categories" refer to the four (4) final withholding tax categories covering, particularly, tax-exempt entities, 20% tax-withheld entities, 25% tax-withheld entities, and 30% tax-withheld entities. This restriction shall be in force until a non-restricted trading & settlement environment for corporate securities is implemented. Transfers taking place in the Register of Bondholders after the ASEAN Green Bonds are listed on PDEX may be allowed between taxable and tax-exempt entities without restriction and observing the tax exemption of tax exempt entities, if and/or when allowed under and are in accordance with the relevant rules, conventions and guidelines of PDEX and PDTC. Transfers to or from Bondholders claiming the benefit of any tax treaty which subjects the interest income to a final withholding tax rate other than the final withholding tax categories indicated above shall only be allowed on Interest Payment Dates that fall on a Banking Day.

A Bondholder claiming tax-exempt status is required to submit a written notification of the sale or purchase to the Registrar, including the tax status of the transferor or transferee, as appropriate, together with the supporting documents specified under Registry and Paying Agency Agreement upon submission of Account Opening Documents to the Registrar.

The last Interest Payment Date shall fall on the Maturity Date, or the immediately succeeding Banking Day if such date is not a Banking Day, without any adjustment to the amount due.

The cut-off date in determining the existing Bondholders entitled to receive interest or principal amount due shall be the day two (2) Banking Days prior to the relevant Interest Payment Date (the “Record Date”), which shall be the reckoning day in determining the Bondholders entitled to receive interest, principal or any other amount due under the ASEAN Green Bonds. No transfers of the ASEAN Green Bonds may be made during this period intervening between and commencing on the Record Date and the relevant Interest Payment Date.

(b) Interest Accrual

Each [ASEAN Green] Bond shall cease to bear interest, net of applicable withholding taxes, from and including the relevant Maturity Date, as defined in the discussion on “*Final Redemption*”, unless, upon due presentation, payment of the principal in respect of the [ASEAN Green] Bond then outstanding is not made, is improperly withheld or refused, in which case the Penalty Interest (see “*Penalty Interest*”) shall apply.

(c) Determination of Interest Amount

The interest shall be calculated on the basis of a 360-day year consisting of twelve (12) months of thirty (30) days each and, in the case of an incomplete month, the number of days elapsed on the basis of a month of thirty (30) days.

5. Early Redemption Option

(a) Early Redemption Option

(b) Exercise of Early Redemption Option

The Issuer shall give no less than thirty (30) nor more than sixty (60) days’ prior written notice to the Trustee, the Registrar and Paying Agent of its intention to redeem the ASEAN Green Bonds, which notice shall be irrevocable and binding upon the Issuer to effect such early redemption of the ASEAN Green Bonds on the relevant Early Redemption Date stated in such notice. Upon receipt by the Trustee of such notice, the Trustee through the Issuer shall secure from the Registrar an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended optional redemption. Each Bondholder in whose name the ASEAN Green Bonds subject of the early redemption are registered in the Registry of Bondholders at the close of business on the relevant Record Date shall be entitled to receive the interest and optional redemption price. The Issuer shall pay the Bondholders in accordance with the terms of the Registry and Paying Agency Agreement.

6. Redemption and Purchase

(a) Final Redemption

Unless previously purchased and cancelled, the ASEAN Green Bonds shall be redeemed at par or 100% of face value on the relevant Maturity Date. However, payment of all amounts due on such date may be made by the Issuer through the Paying Agent, without adjustment to the amount of interest to be paid, on the immediately succeeding Banking Day if the Maturity Date is not a Banking Day.

(b) Other Redemption Events

(i) Redemption due to Change in Control Event

At any time before the occurrence of Change in Control Event, or on the date of such occurrence, or within fourteen (14) Banking Days from the occurrence of a Change in Control Event, ALCO, acting through its Corporate Secretary or through such other officer as may be authorized by its Board of Directors, shall give written notice to the Trustee, PDTC, PDEx and the SEC of the Change in Control Event, and cause PDTC to notify each [ASEAN Green] Bondholder, which notice shall state (i) that a Change in Control Event has occurred, (ii) if it intends to exercise its Early Redemption Option (as defined below) to redeem in whole but not in part in relation to such a Change in Control Event, or if the Issuer will not exercise its Early Redemption Option, that any [ASEAN Green] Bondholder has the right to require the Issuer to redeem its portion of the ASEAN Green Bonds at the Change in Control Redemption

Price (as defined below); (iii) the date set by the Issuer for such redemption, which shall be no earlier than 30 days and no later than 60 days from the date such notice is given (the “Change in Control Put Date”), and (iv) the procedures determined by the Issuer, consistent with the Trust Agreement, that a [ASEAN Green] Bondholder must follow in order to have its portion of the ASEAN Green Bonds redeemed.

If the Issuer has indicated that it will not exercise its Early Redemption Option, each [ASEAN Green] Bondholder shall have the right, at its option, to require the Issuer to repurchase in full (but not in part) such [ASEAN Green] Bondholder’s portion of the outstanding ASEAN Green Bonds, at a redemption price equal to 101.00% of the face value of the principal amount of its portion of the ASEAN Green Bonds plus accrued interest (the “Change in Control Redemption Price”) on the Change of Control Put Date (as defined above).

The Trustee shall not be required to take any steps to ascertain whether a Change in Control Event or any event which could lead to the occurrence of a Change in Control Event has occurred nor be liable to any person for any failure to do so.

A change in control event (“Change in Control Event”) shall be deemed to have occurred when:

- (a) CPG Holdings, Inc. (“CPG”) and AO Capital Holdings 1 (“AOCH1”) (or together with any of their respective affiliates) collectively cease to own 51% of the voting capital stock of ALCO and to retain the power to elect a majority of the Board of Directors; or
- (b) CPG (alone or together with any affiliate) ceases to own at least 31% of the voting capital stock of ALCO; or
- (c) AOCH1 (alone or together with any affiliate) ceases to own at least 20% of the voting capital stock of ALCO.

The term “affiliate” for purposes of the definition of the Change in Control Event, means a corporation (i) at least sixty-seven percent (67%) of the total issued and outstanding voting capital stock is directly or indirectly (computed in the same manner as the grandfather rule), owned by, and (ii) which is controlled by, directly or indirectly, the individuals who, as of Issue Date, are the ultimate owners of CPG or AOCH1, as applicable.

For purposes of this definition, “control” means the possession, directly or indirectly, by a person of the power to elect and remove at least a majority of the total number of the board of directors or other governing body of the corporation, or otherwise direct or cause the direction of management and policies of the corporation, whether through ownership of voting securities, contract or otherwise; provided, that a person’s direct ownership of voting securities of over fifty percent (50%) of the issued and outstanding voting capital stock of the corporation is deemed to constitute control of that corporation. “Controlled by” shall have the corresponding meaning.

(ii) Redemption Due to Tax Event

If payments under the ASEAN Green Bonds become subject to additional or increased taxes other than the taxes and rates of such taxes prevailing on the Issue Date as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such additional or increased rate of such tax cannot be avoided by use of reasonable measures available to the Issuer, the Issuer may redeem the ASEAN Green Bonds in whole, and not in part only, on any Interest Payment Date (having given not more than sixty (60) nor less than thirty (30) days’ written notice to the Trustee, the Registrar and Paying Agent) at par (or 100% of face value)

and paid together with the accrued interest thereon, subject to the requirements of Applicable Law; provided that if the Issuer does not redeem the ASEAN Green Bonds then all payments of principal and interest in respect of the ASEAN Green Bonds shall be made free and clear of, and without withholding or deduction for, any such new or additional taxes, duties, assessments or governmental charges, unless such withholding or deduction is required by law. In that event, the Issuer shall pay to the Bondholders concerned such additional amount as will result in the receipt by such Bondholders of such amounts as would have been received by them had no such withholding or deduction for new or additional taxes been required.

(d) Purchase and Cancellation

The Issuer may at any time purchase any of the ASEAN Green Bonds in the open market or by tender or by contract at market price, in accordance with PDEX Rules without any obligation to purchase (and the Bondholders shall not be obliged to sell) ASEAN Green Bonds pro-rata from all Bondholders. Any ASEAN Green Bonds so purchased shall be redeemed and cancelled and may not be re-issued. Upon listing of the ASEAN Green Bonds on PDEX, the Issuer shall disclose any such transactions in accordance with the applicable PDEX disclosure rules.

7. Payments

The principal of, interest on and all other amounts payable on the ASEAN Green Bonds shall be paid to the Bondholders by crediting of the cash settlement accounts designated by each of the Bondholders. The principal of, and interest on, the ASEAN Green Bonds shall be payable in Philippine Pesos.

The Issuer shall ensure that so long as any of the ASEAN Green Bonds remains outstanding, there shall at all times be a Paying Agent for the purposes of the ASEAN Green Bonds and the Issuer or the Paying Agent may only terminate the appointment of the Paying Agent as provided in the Registry and Paying Agency Agreement. In the event the appointed office of any institution shall be unable or unwilling to continue to act as the Paying Agent, the Issuer shall appoint the Makati City office of such other leading institution in the Philippines authorized to act in its place. The Paying Agent may not resign its duties or be removed without a successor having been appointed.

8. Payment of Additional Amounts; Taxation

Interest income on the ASEAN Green Bonds is subject to a final withholding tax at rates of 20%, 25% or 30% depending on the tax status of the relevant Bondholder under relevant law, regulation or tax treaty. Except for such final withholding tax and as otherwise provided, all payments of principal and interest are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of Republic of the Philippines, including, but not limited to, issue, registration or any similar tax or other taxes and duties, including interest and penalties, if any. If such taxes or duties are imposed, the same shall be for the account of the Issuer; provided however that, the Issuer shall not be liable for the following:

- (a) The applicable final withholding tax applicable on interest earned on the ASEAN Green Bonds prescribed under the National Internal Revenue Code of 1997, as amended and its implementing rules and regulations promulgated by the BIR as may be in effect from time to time (the "Tax Code").

- (b) Gross Receipts Tax under Section 121 of the Tax Code;
- (c) Taxes on the overall income of any securities dealer or Bondholder, whether or not subject to withholding; and
- (d) Value-added Tax ("VAT") under Sections 106 to 108 of the Tax Code, and as amended by Republic Act No. 9337 and Republic Act No. 10963.

Documentary stamp tax for the primary issue of the ASEAN Green Bonds and the execution of the Bond Agreements, if any, shall be for the Issuer's account.

9. Financial Ratio Covenants

The Issuer shall maintain the following financial ratios, with testing to be done on an annual basis, for as long as any of the ASEAN Green Bonds remain outstanding:

- (a) a Debt-to-Equity Ratio of not more than 2:1; and
- (b) a Current Ratio of not less than 1.5:1.

Testing of both financial covenants shall be done, using the indicated financial statements, on April 30 of each year, using the December 31 audited consolidated financial statements of ALCO and subsidiaries.

10. Negative Pledge

The Issuer will not, and shall procure that none of its Subsidiaries shall, without the consent of the Majority Bondholders, (i) create, assume, incur or suffer to exist any Lien upon any of its properties or assets; and (ii) sell, transfer or otherwise dispose of any of its assets on terms whereby they are or may be leased to or re-acquired by the Issuer or any of its Subsidiaries in each case, where the arrangement or transaction is entered into primarily as method of raising Debt or of financing acquisitions of an asset, provided that the foregoing restrictions shall not apply to any Permitted Liens.

[The term "Permitted Liens" shall mean:

12. Events of Default

The Issuer shall be considered in default under the ASEAN Green Bonds and the Trust Agreement in case any of the following events (each an “Event of Default”) shall occur and is continuing:

- a. Payment Default. The Issuer fails to pay when due and payable any amount of principal or interest which the Issuer is obligated to pay the Bondholders under the Trust Agreement and the ASEAN Green Bonds, and such failure to pay is not remedied within [seven (7)] Banking Days from due date thereof.

The Issuer fails to pay when due and payable any other amount payable by the Issuer in respect of the ASEAN Green Bonds and under the Trust Agreement in the manner, at the place, and in the currency in which it is expressed to be payable, and such non-payment continues for [thirty (30) days] from the date such payment is due. These other amounts include Penalty Interest, insofar as the payment of such interest is concerned;

- b. Representation Default. Except for clerical or typographical error, any representation or warranty made by the Issuer in the Trust Agreement or in any document issued pursuant thereto or otherwise in connection therewith shall prove to have been untrue, incorrect, or misleading in any material respect as at the time it was made or deemed to have been made or is violated or not complied with, and the circumstances which cause such representation or warranty to be incorrect or misleading continue for not less than [thirty (30)] days (or such longer period as the Majority Bondholders shall approve) after receipt of written notice from the Trustee to that effect; provided the existence of any litigation, arbitration or other proceedings contemplated under Section 4.1(i) of the Trust Agreement shall not be an Event of Default if the same shall have been dismissed or stayed by injunction or otherwise within sixty (60) days from receipt by the Issuer of written notice thereof from the Trustee.
- c. Other Provisions Default. The Issuer fails to perform or comply with any other term, obligation, or covenant contained in the Trust Agreement or in any other document or instruments related or otherwise in connection therewith and any such failure, violation, non-compliance is not remediable or if remediable, continues unremedied for a period of [thirty (30)] days from the date after written notice thereof shall have been given by the Trustee; provided, however, that for the avoidance of doubt, no additional grace period shall apply to the Events of Default specified in Section 9.1 of the Trust Agreement;
- d. Cross-Default. The Issuer violates any other material obligation by the Issuer with any bank, financial institution or other person, corporation or entity for the payment of borrowed money which constitutes an event of default under said contract, or in general, violation of any, law or regulation which violation, if remediable, is not remedied by the Issuer within [ninety (90)] days from receipt of notice by the Trustee to the Issuer, or which violation is otherwise not contested by the Issuer, and the effect of such violation results in the acceleration or declaration of the whole financial obligation to be due and payable prior to

the stated normal date of maturity; and which violation will, further, in the reasonable opinion of the Trustee, adversely and materially affect the performance by the Issuer of its obligations under the Trust Agreement and the ASEAN Green Bonds. Provided, however, that no event of default will occur under this paragraph unless the aggregate amount of indebtedness in respect of which one or more of the events above mentioned has/have occurred equals or is in excess of five percent (5%) of the Fair Market Value of Assets of the Issuer;

- e. Insolvency Default. The Issuer becomes insolvent or is unable to pay its debts when due or commits or permits any act of bankruptcy, which act shall include: (i) the filing of a petition in any bankruptcy, reorganization, winding up or liquidation of the Issuer, or any other proceeding analogous in purpose and effect: Provided, however, that in case the foregoing petition is filed by any other party, other than the Issuer, such event shall be considered a declared Event of Default only upon the issuance of a final order by the court of competent authority; (ii) the making of an assignment by the Issuer of substantially all or all of its assets, or in fraud of creditors; (iii) the admission in writing by the Issuer of its inability to pay its debts; (iv) the entry of any final order or judgment of any court, tribunal or administrative agency or body confirming the bankruptcy or insolvency of the Issuer or approving any reorganization, winding up or liquidation of the Issuer; or (v) the appointment of a receiver, liquidator, assignee, trustee, or sequestrator of the Issuer, or a substantial part of its property or assets or a substantial part of its capital stock or to assume custody or control of the Issuer, or the ordering of its dissolution, winding-up or liquidation of its affairs;
- f. Closure Default. The Issuer voluntarily suspends or ceases operations of a substantial portion of its business for a continuous period of thirty (30) calendar days except that if the closure is: (i) due to strikes or lockouts; or (ii) necessary to prevent business losses; or (iii) due to fortuitous events or force majeure, then such closure shall not be deemed a Closure Default;
- g. Judgment Default. Any final judgment, decree or arbitral award for the sum of money, damages or for a fine or penalty in excess of 5% of the Issuer's Fair Market Value of Assets or its equivalent in any other currency is entered against the Issuer and any relevant period specified for payment in such judgment, decree, order, or agreement, shall have expired without being satisfied, discharged, or stayed; and
- h. Writ and Similar Process Default. Any writ, warrant of attachment or execution, or similar process shall be issued or levied against all or substantially all of the Issuer's assets, and such writ, warrant, or similar process shall not be released, vacated, or fully bonded within thirty (30) days after its issue or levy (or such longer period as the Issuer satisfies the Majority Bondholders as appropriate under the circumstances).

13. Notice of Default

The Trustee shall, within thirty (30) days after the occurrence of any Event of Default, give to the Bondholders written notice of such default known to it, unless the same shall have been cured before the giving of such notice; provided that, in the case of payment default, as described in "*Payment Default*," the Trustee shall immediately notify the Bondholders upon the occurrence of such payment default. The existence of a written notice required to be given to the Bondholders hereunder shall be published in a newspaper of general circulation in Metro Manila for two (2) consecutive days, further indicating in the published notice that the Bondholders or their duly authorized representatives may obtain an important notice regarding the ASEAN Green Bonds at the principal office of the Trustee upon presentment of sufficient and acceptable identification.

14. Consequences of Default

- (a) If any one or more of the Events of Default shall have occurred and be continuing, either the Trustee, upon the written instructions of the Majority Bondholders and by notice in writing delivered to the Issuer, or the Majority Bondholders, by notice in writing delivered to the Issuer and the Trustee, may declare the principal of the ASEAN Green Bonds, including all accrued interest, net of applicable withholding taxes, and other charges thereon, if any, to be immediately due and payable, and upon such declaration the same shall be immediately due and payable, anything contained in the Trust Agreement or in the ASEAN Green Bonds to the contrary notwithstanding.
- (b) This provision, however, is subject to the condition that, except in the case of a Writ and Similar Process Default, the Majority Bondholders, by written notice to the Issuer and the Trustee may, during the prescribed curing period, if any, rescind and annul such declaration made by the Trustee pursuant to a consequence of default, and the consequences of such declaration, upon such terms, conditions and agreement, if any, as they may determine; provided that, no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.
- (c) At any time after any Event of Default shall have occurred, the Trustee may:
 - (i) by notice in writing to the Issuer, require the Registrar and Paying Agent to:
 - (aa) act thereafter as agents of the Bondholders represented by the Trustee on the terms provided in the Paying Agency and Registry Agreement (with consequential amendments as necessary and save that the Trustee's liability under any provisions thereof for the indemnification, remuneration and payment of out-of-pocket expenses of the Paying Agent and the Registrar shall be limited to amounts for the time being held by the Trustee on the trusts of the Trust Agreement in relation to the ASEAN Green Bonds and available to the Trustee for such purpose) and thereafter to hold all sums, documents and records held by them in respect of the ASEAN Green Bonds on behalf of the Trustee; and/or
 - (bb) deliver all evidence of the ASEAN Green Bonds and all sums, documents and records held by them in respect of the ASEAN Green Bonds to the Trustee or as the Trustee shall direct in such notice; provided that, such notice shall be deemed not to apply to any document or record which the Registrar and Paying Agent is not obliged to release by any law or regulation; and
 - (ii) by notice in writing to the Issuer, require the Issuer to make all subsequent payments in respect of the ASEAN Green Bonds to the order of the Trustee and with effect from the issue of any such notice until such notice is withdrawn, provision (bb) above and the Issuer's positive covenant to pay principal and interest, net of applicable withholding taxes, on the ASEAN Green Bonds, more particularly set forth in the Trust Agreement, shall cease to have effect.

In case any amount payable by the Issuer under the ASEAN Green Bonds, whether for principal, interest or otherwise, is not paid on due date, the Issuer shall, without

prejudice to its obligations to pay the said principal, interest, net of applicable withholding taxes, and other amounts, pay Penalty Interest on the defaulted amount(s) from the time the amount falls due until it is fully paid.

15. Penalty Interest

In case any amount payable by the Issuer under the ASEAN Green Bonds, whether for principal, interest, net of applicable withholding taxes, or otherwise, is not paid on due date, the Issuer shall, without prejudice to its obligations to pay the said principal, interest, net of applicable withholding taxes, and other amounts, pay penalty interest on the defaulted amount(s) at the rate of twelve percent [(12.00%)] per annum (the “Penalty Interest”) from the time the amount falls due until it is fully paid.

16. Payment in the Event of Default

The Issuer covenants that upon the occurrence of any Event of Default, the Issuer shall pay to the Bondholders, through the Paying Agent, the whole amount which shall then have become due and payable on all such outstanding ASEAN Green Bonds with interest at the rate borne by the ASEAN Green Bonds on the overdue principal, net of applicable withholding taxes, and with Penalty Interest as described above, and in addition thereto, the Issuer shall pay to the Trustee such further amounts as shall be determined by the Trustee to be sufficient to cover the cost and expenses of collection, including reasonable compensation to the Trustee, its agents, attorneys and counsel, and any reasonable expenses or liabilities incurred without negligence or bad faith by the Trustee hereunder.

17. Application of Payments

Any money collected or delivered to the Paying Agent, and any other funds held by it, subject to any other provision of the Trust Agreement and the Registry and Paying Agency Agreement relating to the disposition of such money and funds, shall be applied by the Paying Agent in the order of preference as follows: *first*, to the payment to the Trustee, the Registrar and Paying Agent, of the costs, expenses, fees and other charges of collection, including reasonable compensation to them, their agents, attorneys and counsel, and all reasonable expenses and liabilities incurred or disbursements made by them, without negligence or bad faith; *second*, to the payment of the interest, net of applicable withholding taxes, in default, in the order of the maturity of such interest with Penalty Interest, which payment shall be made pro-rata among the Bondholders; *third*, to the payment of the whole amount then due and unpaid upon the ASEAN Green Bonds for principal, and interest, net of applicable withholding taxes, with Penalty Interest, which payment shall be made pro-rata among the Bondholders; and *fourth*, the remainder, if any shall be paid to the Issuer, its successors or assigns, or to whoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. For this purpose, the Paying Agent shall deliver to the Trustee a joint certification of the funds to be applied for payment, and a schedule of payments to be made in accordance with the conditions.

18. Prescription

Claims in respect of principal and interest or other sums payable hereunder shall prescribe unless made within ten (10) years (in the case of principal or other sums) or five (5) years (in the case of interest) from the date on which payment becomes due.

19. Remedies

All remedies conferred by the Trust Agreement and these Terms and Conditions to the Trustee and the Bondholders shall be cumulative and not exclusive and shall not be so construed as to deprive the Trustee or the Bondholders of any legal remedy by judicial or extra judicial proceedings appropriate to enforce the conditions and covenants of the Trust Agreement, subject to the discussion below on *"Ability to File Suit."*

No delay or omission by the Trustee or the Bondholders to exercise any right or power arising from or on account of any default hereunder shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence thereto; and every power and remedy given by the Trust Agreement to the Trustee or the Bondholders may be exercised from time to time and as often as may be necessary or expedient.

20. Ability to File Suit

No Bondholder shall have any right by virtue of or by availing of any provision of the Trust Agreement to institute any suit, action or proceeding for the collection of any sum due from the Issuer hereunder on account of principal, interest, net of applicable withholding taxes, and other charges, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless (i) such Bondholder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof and the related request for the Trustee to convene a meeting of the Bondholders to take up matters related to their rights and interests under the ASEAN Green Bonds; (ii) the Majority Bondholders shall have decided and made the written request upon the Trustee to institute such action, suit or proceeding in the latter's name; (iii) the Trustee, for sixty (60) days after the receipt of such notice and request shall have neglected or refused to institute any such action, suit or proceeding; and (iv) no directions inconsistent with such written request shall have been given under a waiver of default by the Bondholders, it being understood and intended, and being expressly covenanted by every Bondholder with every other Bondholder and the Trustee, that no one or more Bondholders shall have any right in any manner whatever by virtue of or by availing of any provision of the Trust Agreement to affect, disturb or prejudice the rights of the holders of any other such ASEAN Green Bonds or to obtain or seek to obtain priority over or preference to any other such holder or to enforce any right under the Trust Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all the Bondholders.

21. Waiver of Default by the Bondholders

The Majority Bondholders may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee, or may, on behalf of the Bondholders waive any past default, except the events of default defined as a payment default, breach of representation or warranty default, insolvency default, or closure default, and its consequences. In case of any such waiver, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights

hereunder; provided however that, no such waiver shall extend to any subsequent or other default or impair any right consequent thereto. Any such waiver by the Majority Bondholders shall be conclusive and binding upon all Bondholders and upon all future holders and owners thereof, irrespective of whether or not any notation of such waiver is made upon the certificate representing the ASEAN Green Bonds.

22. Trustee; Notices

(a) Notice to the Trustee

All documents required to be submitted to the Trustee pursuant to the Trust Agreement, the Prospectus, and the Offer Supplement and all correspondence addressed to the Trustee shall be delivered to:

Upon such acceptance and approval, the Bondholder shall pay to the Trustee upfront a fee of [•] (the “Activity Fee”) plus the costs of legal review, courier and the like. The Activity Fee may be adjusted from time to time, at the discretion of the Trustee.

In the absence of any applicable period stated elsewhere in these Conditions, written requests shall be reviewed and, if accepted and approved, addressed by the Trustee within ninety (90) days from receipt. This period may be extended should the Trustee be unable to review and address the requests for causes not attributable to the Trustee.

(b) Notice to the Bondholders

The Trustee shall send all Notices to Bondholders to their mailing address as set forth in the Register of Bondholders. Except where a specific mode of notification is provided for herein, notices to Bondholders shall be sufficient when made in writing and transmitted in any one of the following modes: (i) registered mail; (ii) surface mail; (iii) by one-time publication in a newspaper of general circulation in the Philippines; or (iv) personal delivery to the address of record in the Register of Bondholders. The Trustee shall rely on the Register of Bondholders in determining the Bondholders entitled to notice. All notices shall be deemed to have been received (i) ten (10) days from posting if transmitted by registered mail; (ii) fifteen (15) days from mailing, if transmitted by surface mail; (iii) on date of publication or (iv) on date of delivery, for personal delivery.

The publication in a newspaper of general circulation in the Philippines of a press release or news item about a communication or disclosure made by ALCO to the SEC on a matter relating to the ASEAN Green Bonds shall be deemed a notice to Bondholders of said matter on the date of the first publication.

(c) Binding and Conclusive Nature

Except as provided in the Trust Agreement, all notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained by the Trustee for the purposes of the provisions of the Trust Agreement, shall (in the absence of willful default, bad faith or manifest error) be binding on the Issuer, and all Bondholders and (in the absence as referred to above) no liability to the Issuer, the Paying Agent or the Bondholders shall attach to the Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions under the Trust Agreement.

23. Duties and Responsibilities of the Trustee

- (a) The Trustee is appointed as trustee for and on behalf of the Bondholders and accordingly shall perform such duties and shall have such responsibilities as provided in the Trust Agreement. The Trustee shall, in accordance with the terms and conditions of the Trust Agreement, monitor the compliance or non-compliance by the Issuer with all its representations and warranties, and the observance by the Issuer of all its covenants and performance of all its obligations, under and pursuant to the Trust Agreement. The Trustee shall observe due diligence in the performance of its duties and obligations under the Trust Agreement. For the avoidance of doubt, notwithstanding any actions that the Trustee may take, the Trustee shall remain to be the party responsible to the Bondholders, and to whom the Bondholders shall communicate with in respect to any matters that must be taken up with the Issuer.
- (b) The Trustee shall, prior to the occurrence of an Event of Default or after the curing of all such defaults which may have occurred, perform only such duties as are specifically set forth in the Trust Agreement. In case of default, the Trustee shall exercise such rights and powers vested in it by the Trust Agreement, and use such judgment and care under the circumstances then prevailing that individuals of prudence, discretion and intelligence, and familiar with such matters exercise in the management of their own affairs.
- (c) None of the provisions contained in these Terms and Conditions the Prospectus, or the Offer Supplement shall require or be interpreted to require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

24. Resignation and Change of Trustee

- (a) The Trustee may at any time resign by giving thirty (30) days' prior written notice to the Issuer and to the Bondholders of such resignation.
- (b) Upon receiving such notice of resignation of the Trustee, the Issuer shall immediately appoint a successor trustee by written instrument in duplicate, executed by its authorized officers, one copy of which instrument shall be delivered to the resigning trustee and one copy to the successor trustee. However, notwithstanding the immediately preceding sentence, in cases where an Event of Default shall have occurred and be continuing, it is the Majority Bondholders, not the Issuer, that shall appoint the successor trustee. If no successor shall have been so appointed and have accepted appointment within thirty (30) days after the giving of such notice of

resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor, or any Bondholder who has been a bona fide holder for at least six (6) months (the "Bona Fide Bondholder") may, for and in behalf of the Bondholders, petition any such court for the appointment of a successor. Such court may thereupon after notice, if any, as it may deem proper, appoint a successor trustee.

- (c) Subject to Section (f) below, a successor trustee must possess all the qualifications required under pertinent laws.
- (d) In case at any time the Trustee shall become incapable of acting, or has acquired conflicting interest, or shall be adjudged as bankrupt or insolvent, or a receiver for the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its properties or affairs for the purpose of rehabilitation, conservation or liquidation, then the Issuer may within thirty (30) days therefrom remove the Trustee concerned, and appoint a successor trustee, by written instrument in duplicate, executed by its authorized officers, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee. If the Issuer fails to remove the Trustee concerned and appoint a successor trustee, any Bona Fide Bondholder may petition any court of competent jurisdiction for the removal of the Trustee concerned and the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper, remove the Trustee and appoint a successor trustee.
- (e) The Majority Bondholders may at any time remove the Trustee for cause, and appoint a successor trustee, by the delivery to the Trustee so removed, to the successor trustee and to the Issuer of the required evidence under the provisions on Evidence Supporting the Action of the Bondholders in the Terms and Conditions of the ASEAN Green Bonds.
- (f) Any resignation or removal of the Trustee and the appointment of a successor trustee pursuant to any provisions of the Trust Agreement shall become effective upon the earlier of: (i) acceptance of appointment by the successor trustee as provided in the Trust Agreement; or (ii) effectivity of the resignation notice sent by the Trustee under the Trust Agreement (the "Resignation Effective Date"); provided however that, until such successor trustee is qualified and appointed, the resigning Trustee shall continue to discharge its duties and responsibilities solely as custodian of records for turnover to the successor trustee promptly upon the appointer thereof by the Issuer; provided finally that, such successor trustee possesses all the qualifications as required by pertinent laws.

25. Successor Trustee

- (a) Any successor trustee appointed shall execute, acknowledge and deliver to the Issuer and to its predecessor Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor trustee, without further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of its predecessor in the trusteeship with like effect as if originally named as Trustee in the Trust Agreement. The foregoing notwithstanding, on the written request of the Issuer or of the successor trustee, the Trustee ceasing to act as such shall execute and deliver an instrument transferring to the

successor trustee, all the rights, powers and duties of the Trustee so ceasing to act as such. Use of Proceeds from the Firm Offer

Required investment from ALCO to acquire properties for the Manila Long Term Project

ALCO is currently evaluating and negotiating for the acquisition of large properties with a total area of approximately 18 hectares in areas of Metro Manila which have very high potential for growth. Once acquired, ALCO plans to develop these into sustainable master planned communities which will have commercial, residential, retail and institutional components that will qualify as Eligible Green Projects and which will be divided in several phases over a 10 to 15-year period.

As with its other projects, ALCO plans to acquire and develop these properties with joint venture partners to fully fund the equity requirement and to manage the risks associated with a project of such size. In addition to the equity from ALCO and its strategic partners, the Manila Long Term Project will also be funded by term loans and pre-selling of units. To fund its estimated required investment in the Manila Long Term Project, ALCO is allocating ₱1,140 million from the proceeds of the Offer and estimates that this will be disbursed between Q1 2020 and Q2 2020.

The project is still in the evaluation stage and there are no definitive agreements entered into or signed yet. The Company plans to allocate the balance of the net proceeds from the exercise of the Oversubscription Option of Php305,350,461.12 to partially fund scheduled repayments of the loan from BDO Unibank, Inc. dated April 15, 2015 (the "ACPT Loan") to finance the construction and development of the Arthaland Century Pacific Tower based on the schedule below:

Additional Risk Factors

The ASEAN Green Bonds may not be a suitable investment for all investors seeking exposure to green assets.

The Company may issue the ASEAN Green Bonds where the use of proceeds is specified to be for the financing and/or refinancing of specified “green” or “sustainability” projects of the Company or any of its subsidiaries, in accordance with certain prescribed eligibility criteria.

In connection with an issue of the ASEAN Green Bonds, the Company may request a sustainability rating agency or sustainability consulting firm to issue an independent opinion (a “Compliance Opinion”) confirming that any ASEAN Green Bonds are in compliance with the Green Bond Principles prepared and published by the International Capital Market Association (the “ICMA Green Bond Principles”) and the ASEAN Capital Markets Forum (the “ASEAN Green Bond Standards 2018”). The ICMA Green Bond Principles and ASEAN Green Bond Standards 2018 are a set of voluntary guidelines that recommend transparency and disclosure and promote integrity in the development of the green bond market. While the ICMA Green Bond Principles and ASEAN Green Bond Standards 2018 do provide a high level framework, there is currently no market consensus on what precise attributes are required for a particular project to be defined as “green” or “sustainable”, and therefore no assurance can be provided to potential investors that the green or sustainable projects to be specified in the use of proceeds will meet all investors’ expectations regarding sustainability performance or continue to meet the relevant eligibility criteria. Although applicable green projects are expected to be selected in accordance with the categories recognized by the ICMA Green Bond Principles and ASEAN Green Bond Standards 2018, and are expected to be developed in accordance with applicable legislation and standards, there can be no guarantee that adverse environmental and/or social impacts will not occur during the design, construction, commissioning and/or operation of any such green or sustainable projects. Where any negative impacts are sufficiently not mitigated, green or sustainable projects may become controversial, and/or may be criticized by activist groups or other stakeholders.

On [•], 2019, the SEC confirmed that the program under which the ASEAN Green Bonds have been issued complies with the requirements set forth under SEC Memorandum Circular No. 12 (2018) and has authorized the use of the ASEAN Green Bond label for the ASEAN Green Bonds (the “SEC Confirmation”). Potential investors should be aware that any Compliance Opinion or the SEC Confirmation will not be incorporated into, and will not form part of, this Offering Supplement. Any such Compliance Opinion and SEC Confirmation may not reflect the potential impact of all risks related to the structure of the relevant ASEAN Green Bonds, their marketability, trading price or liquidity or any other factors that may affect the price or value of the ASEAN Green Bonds. Any such Compliance Opinion nor the SEC Confirmation is not a recommendation to buy, sell or hold securities and is only current as of its date of issue. Prospective investors must determine for themselves the relevance of any such Compliance Opinion, the SEC Confirmation, and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in such Instruments. Currently, the providers of such compliance opinions and certifications are not subject to any specific regulatory or other regime or oversight.
