## Item 9. Other Events

In light of the recent developments due to the spread of COVID-19 and in compliance with the government guidelines to help mitigate the spread of the virus, **Arthaland Corporation (the "Corporation")** will continue business operations but have taken strict protocols in all its offices and project sites.

The Corporation is presently following below precautionary measures effective 16 March 2020 until 14 April 2020:

- Secure the Business Continuity Plans (BCP) and other precautionary protocols from partners, consultants, agencies and other third-party suppliers, to guide the Corporation and its Management accordingly
- Postpone and/or cancel all customer and business partner related events, meetings and gatherings
- Inhibit from and discourage all official business meetings, corporate events, gatherings and face-to-face interactions to be held outside of our office
- Implement thermal scanning for all prior to entry to Arthaland Century Pacific Tower (ACPT) and the Corporation's office at the 7/F
- Conduct hourly disinfections of the common areas of ACPT
- Prohibited all external visitors of the Corporation from entering office premises
- Properly record and sterilize all incoming mail, parcels, billings and packages received at the Mail Room and Loading Area of ACPT prior to pick-up by assigned personnel
- Provided hand sanitizers and HEPA air filters throughout the Corporation's office premises
- Personnel who are not feeling well and/or may be presenting flu-like symptoms no longer report for work and/or just work from home
- Implemented social distancing through avoidance of face-to-face meetings and gatherings and instead, proceeding with business through phone and online communications, such as Zoom® video conferencing
- Identified personnel for skeletal operations to be implemented as of 12nn today
- Allocated necessary resources for personnel to continue working effectively off site
- Restricted domestic and international travel, and implemented a minimum of 14-day quarantine for those who have travelled, and
- Augment standard measures prescribed by the World Health Organization (WHO) and local authorities.

So far Management has not seen any impact on the Corporation's sales efforts and in the progress of construction. However, we continue to monitor these closely. Also, we have more than sufficient resources to withstand any major slowdown in business.

**Rest assured, Arthaland is committed to keeping the health, safety and wellness of its employees of the highest priority while continuing to attend to its customers, partners and stakeholders.**
