Arthaland Corporation (“**ALCO**”, the “**Company**” or the “**Issuer**”), a corporation duly organized and existing under Philippine law, has obtained approval for the shelf registration in the Philippines of up to 30,000,000 cumulative, non-voting, non-participating, non-convertible, redeemable Peso-denominated preferred shares (the “**Preferred Shares**”).

The Preferred Shares are to be issued in tranches within a period of three (3) years from the effective date of the Registration Statement, subject to applicable regulations (the “**Shelf Period**”). The specific terms of the Preferred Shares for each tranche will be determined by the Company in consideration of the prevailing market conditions and will be provided in an Offer Supplement to be issued at the time of the offering of the relevant tranche.

On November 22, 2016, the registration statement filed by the Company covering the Preferred Shares was rendered effective by the Securities and Exchange Commission (“**SEC**”) in its order, and a certificate of permit to offer securities for sale for the ₱2.0 Billion initial tranche of the Preferred Shares (the “**Initial Tranche**”) was issued. On November 17, 2016, the Philippine Stock Exchange (“**PSE**”) also approved the shelf listing of the Preferred Shares. On December 6, 2016, the Initial Tranche was listed on the PSE.

The second tranche of the Preferred Shares to be offered and issued out of the shelf registration (the “**Offer**”) will be denominated as “Series C Preferred Shares” (the “**Series C Preferred Shares**”) and will consist of 10,000,000 Series C Preferred Shares. After the Offer, there will be no remaining Preferred Shares under shelf registration. For purposes of the Offer of the Series C Preferred Shares, the Issuer prepared a Prospectus dated June 13, 2019 (the “**Prospectus**”) and this Offer Supplement also dated June 13, 2019 (the “**Offer Supplement**”).

This document constitutes the Offer Supplement relating to the second tranche or the Offer described herein. Unless defined in this Offer Supplement, terms used herein shall be deemed to be defined as set forth in the Prospectus. This Offer Supplement contains the terms of the Offer and must be read in conjunction with the Prospectus, the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Application to Purchase, the Deed Poll, and applicable laws and regulations. Full information on the Company and the Offer is available on the basis of the combination of the Offer Supplement, the Prospectus, the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Deed Poll, the Application to Purchase and applicable laws and regulations. All information contained in the Prospectus are deemed incorporated by reference in the Offer Supplement.

The Series C Preferred Shares, which have a par value of Php1 per share, will be offered at an offer price of Php100 per share, with an aggregate issue size of Php1 Billion.

As of the date of this Offer Supplement, the Company has 5,318,095,199 outstanding common shares, 12,500,000 outstanding Series A Preferred Shares, and 20,000,000 outstanding Series B Preferred Shares. The Company estimates that the net proceeds from the Offer shall amount to approximately Php984,116,072.83, after fees, commissions and expenses. The net proceeds of the Offer shall be used primarily to partially finance the acquisition and development of the Company's real estate projects. For a more detailed discussion on the use of proceeds, see *"Use of Proceeds"* of this Offer Supplement.

Dividends may be declared at the discretion of the Board of Directors of the Company and will depend upon the future results of operations and general financial condition, capital requirements, its ability to receive dividends and other distributions and payments from its subsidiaries, foreign exchange rates, legal, regulatory and contractual restrictions, loan obligations and other factors the Board of Directors may deem relevant. For a more detailed discussion on dividends and the dividend policy of the Company, see *"Dividends and Dividend Policy"* in the Prospectus.

The underwriting fees and any selling fees to be paid by the Company in relation to the Offer shall be equivalent to 55 basis points of the gross proceeds of the Offer. This shall be inclusive of underwriting fees to be paid to BDO Capital & Investment Corporation in its capacity as the sole underwriter (the **"Sole Underwriter"**). This shall also be inclusive of any commissions to be paid to the PSE Trading Participants (the **"Selling Agents"**), which shall be equivalent to 12.5 basis points (inclusive of Value Added Tax) of the total proceeds of the sale of the Series C Preferred Shares by such trading participant. For a more detailed discussion on the fees to be received by the Sole Underwriter and Selling Agents, see *"Plan of Distribution"* of this Offer Supplement.

The SEC is expected to issue a corresponding permit to offer securities for sale covering the Offer. An application was likewise filed by the Company with the PSE for the listing of the Series C Preferred Shares on the Main Board of the PSE. An approval for listing is permissive only and does not constitute a recommendation or endorsement by the PSE or the SEC of the Series C Preferred Shares. Furthermore, the PSE makes no representation as to the completeness and expressly disclaims any liability whatsoever for any loss arising from or in reliance upon the whole or any part of the contents of the Prospectus or this Offer Supplement.

Upon listing, the Series C Preferred Shares will be traded under the symbol **"ALCPC"**.

The Company reserves the right to withdraw the offer and sale of the Series C Preferred Shares at any time, and the right to reject any application to purchase the Series C Preferred Shares in whole or in part and to allot to any prospective purchaser less than the full amount of the Series C Preferred Shares sought by such purchaser. If the Offer is withdrawn or discontinued, the Company shall subsequently notify the SEC and the PSE. The Sole Underwriter and the Selling Agents may acquire for their own account a portion of the Series C Preferred Shares.

It is expected that the Series C Preferred Shares will be delivered in book-entry form against payment thereof to the Philippine Depository & Trust Corp.

The following discussion should be read together with, and is qualified in its entirety by reference to, the additional information appearing elsewhere in the Prospectus, this Offer Supplement, including, but not limited to, the discussion on the "Description of the Series C Preferred Shares", the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Deed Poll, the Application to Purchase and applicable laws and regulations. On April 23, 2019, the Board of Directors approved the terms and conditions of the offer of the Series C Preferred Shares and authorized certain officers of the Company to approve and confirm the final dividend rate based on the formula approved by the Board of Directors, the adjustments to the timetable and other minor changes to the terms and conditions as such signatories may deem necessary. 14	<p>Conditions for the Declaration and Payment of Cash Dividends</p>	<p>ALCO's Board of Directors has full discretion over the declaration and payment of cash dividends on the Series C Preferred Shares, to the extent permitted by law.</p> <p>ALCO's Board of Directors will not declare and pay cash dividends on any Dividend Payment Date where, in its opinion:</p> <ul style="list-style-type: none"> (a) Payment of the cash dividend would cause ALCO to breach any of its financial covenants; or (b) The unrestricted retained earnings available to ALCO for distribution as dividends are not sufficient to enable ALCO to pay cash dividends in full on all other classes of ALCO's outstanding shares that are scheduled to be paid on or before any Dividend Payment Date and that have an equal right and priority to dividends as the Series C Preferred Shares. <p>If the unrestricted retained earnings available to distribute as dividends are, in ALCO's Board of Directors' opinion, not sufficient to enable ALCO to pay both dividends on the Series C Preferred Shares and the dividends on other shares that have an equal right and priority to dividends as the Series C Preferred Shares, in full and on the relevant dates, then ALCO is required to:</p> <ul style="list-style-type: none"> (1) first, pay in full, or to set aside an amount equal to, all dividends scheduled to be paid on or before that Dividend Payment Date on any shares with a right to dividends ranking higher in priority to that of the Series C Preferred Shares; and (2) second, to pay dividends on the Series C Preferred Shares and any other shares ranking equally with the Series C Preferred Shares as to participation in such retained earnings <i>pro rata</i> to the amount of the cash dividends scheduled to be paid to them. The amount scheduled to be paid will include the amount of any dividend payable on that date and any arrears on any past cumulative dividends on any shares ranking equal in priority with the Series C Preferred Shares to receive dividends.

		<p>Any such cash dividends deferred or not declared in accordance with the above provisions shall constitute "Arrears of Dividends".</p> <p>The unrestricted retained earnings available for distribution are, in general and with some adjustments, equal to ALCO's accumulated profits, less accumulated realized losses. Unrestricted retained earnings represent the undistributed earnings of the corporation which have not been allocated for any managerial, contractual or legal purposes and which are free for distribution to the shareholders as dividends.</p> <p>Cash dividends on the Series C Preferred Shares will be cumulative. If for any reason the Board of Directors of ALCO does not declare cash dividends on the Series C Preferred Shares for a Dividend Period, ALCO will not pay cash dividends on the Dividend Payment Date for that Dividend Period. However, on any future Dividend Payment Date on which cash dividends are declared, holders of the Series C Preferred Shares must receive the accrued and unpaid cash dividends due them on such Dividend Payment Date as well as all Arrears of Dividends to the holders of the Series C Preferred Shares prior to such Dividend Payment Date.</p> <p>Holders of the Series C Preferred Shares shall not be entitled to participate in any other or further dividends, cash, property or stock beyond the dividends specifically payable on the Series C Preferred Shares.</p> <p>ALCO covenants that, in the event:</p> <ul style="list-style-type: none"> (a) any cash dividends due with respect to any Series C Preferred Shares then outstanding for any period are not declared and paid in full when due; (b) where there remains outstanding Arrears of Dividends; or (c) any other amounts payable under the terms and conditions of the Series C Preferred Shares are not paid in full when due for any reason, <p>then it will not declare or pay any dividends or other distributions in respect of, or repurchase or redeem, securities ranking <i>pari passu</i> with, or junior to, the Series C Preferred Shares (or contribute any money to a sinking fund for the redemption of any securities ranking <i>pari passu</i> with,</p>
--	--	--

		or junior to, the Series C Preferred Shares) until any and all Arrears of Dividends and accrued but unpaid cash dividends have been paid to the holders of the Series C Preferred Shares (unless such declaration or payment of dividends or distributions in respect of <i>pari passu</i> securities shall be in accordance with the paragraph numbered (2) of this section in respect of <i>pro rata</i> payment between the Series C Preferred Shares and any other shares ranking equally with the Series C Preferred Shares as to participation in the retained earnings).
15	Payments of Dividends and Other Amounts	<p>All payments of dividends and any other amounts under the Series C Preferred Shares shall be paid by ALCO in Philippine Pesos.</p> <p>On the relevant payment dates, the Paying Agent shall make available to the holders of the Series C Preferred Shares as of the relevant record date, checks drawn against the relevant payment settlement account in the amount due to each of such holders of record, either (i) for pick-up by the relevant holder of record of the Series C Preferred Shares or its duly authorized representative at the office of the Paying Agent, or (ii) delivery via courier or, if courier service is unavailable for delivery to the address of the relevant holder of record of the Series C Preferred Shares via mail, at such holder's risk, to the address of such holder appearing in the Registry of Shareholders.</p>
16	Optional Redemption	<p>As and if approved by the Board of Directors of ALCO and subject to the requirements of applicable laws and regulations, and ALCO's financial covenants, ALCO has the sole option, but not the obligation, to redeem all (but not part) of the outstanding Series C Preferred Shares, having given to the Stock Transfer Agent, the SEC and the PSE not less than thirty (30) days' written notice prior to the intended date of redemption, on:</p> <p>(a) the Initial Optional Redemption Date; or</p> <p>(b) any Dividend Payment Date after the Initial Optional Redemption Date</p> <p>(each, an "Optional Redemption Date"),</p> <p>at a redemption price equal to the Offer Price of the Series C Preferred Shares, plus any accrued and unpaid cash dividends due them on such Dividend Payment Date as well as all Arrears of Dividends outstanding, after deduction of transfer costs customarily chargeable to stockholders, as applicable, to effect the redemption (the "Redemption</p>

		<p>Price”). The Redemption Price shall be paid to holders of the Series C Preferred Shares as of the relevant record date set by ALCO for such redemption.</p> <p>ALCO may, at its sole option, subject to the requirements of applicable laws and regulations and ALCO’s financial covenants, also redeem the Series C Preferred Shares, in whole but not in part, at any time if an Accounting Event, a Tax Event or a Change in Control Event (each as defined below) has occurred, having given not less than thirty (30) days’ written notice to the Stock Transfer Agent, the PSE and the SEC prior to the intended date of redemption.</p> <p>The redemption due to an Accounting Event or a Tax Event shall be made by ALCO at the Redemption Price, which shall be paid on the date of redemption set out in the notice.</p> <p>Upon the occurrence of a Change in Control Event, ALCO may elect to redeem the Series C Preferred Shares. If ALCO redeems the Series C Preferred Shares within a period not exceeding thirty (30) days from the occurrence of a Change in Control Event, the redemption shall be made by ALCO at the Redemption Price prevailing immediately prior to the Change in Control Event.</p> <p>If ALCO does not redeem the Series C Preferred Shares within thirty (30) days from the occurrence of a Change in Control Event:</p> <ul style="list-style-type: none"> (a) the Dividend Rate will be increased by 400 basis points per annum, commencing on and including the day on which a Change in Control Event has occurred; and (b) ALCO may still redeem at any time the Series C Preferred Shares at the Redemption Price. For the avoidance of doubt, the Redemption Price shall include the additional 400 basis points per annum constituting the increase in Dividend Rate, commencing on and including the day on which a Change in Control Event has occurred until the date of redemption, as provided under item (a) above.
17	Accounting Event	<p>An accounting event (“Accounting Event”) shall occur if, in the opinion of ALCO, with due consultation with its independent auditors at the relevant time, there is more than an insubstantial risk that the Series C Preferred Shares or the funds raised through the issuance of the Series C Preferred Shares may no longer be recorded as “equity” to the full extent as at the Issue Date pursuant to the Philippine Financial Recording Standards (“PFRS”), or such other</p>

		accounting standards which succeed PFRS, as adopted by the Republic of the Philippines and applied by ALCO for drawing up its consolidated financial statements for the relevant financial year.
18	Tax Event	A tax event (“ Tax Event ”) shall occur if dividend payments or other amounts payable on the Series C Preferred Shares become subject to higher withholding tax or any new tax (including a higher rate of an existing tax) as a result of certain changes in law, rule or regulation, or in the interpretation thereof.
19	Change in Control Event	<p>A change in control event (“Change in Control Event”) shall be deemed to have occurred when:</p> <ul style="list-style-type: none"> (a) CPG Holdings, Inc. (“CPG”) and AO Capital Holdings 1 (“AOCH1”) (or together with any of their respective affiliates) collectively cease to own 51% of the voting capital stock of ALCO and to retain the power to elect a majority of the Board of Directors; or (b) CPG (alone or together with any affiliate) ceases to own at least 31% of the voting capital stock of ALCO; or (c) AOCH1 (alone or together with any affiliate) ceases to own at least 20% of the voting capital stock of ALCO. <p>The term “affiliate” for purposes of the definition of the Change in Control Event, means a corporation (i) at least sixty-seven percent (67%) of the total issued and outstanding voting capital stock is directly or indirectly (computed in the same manner as the grandfather rule), owned by, and (ii) which is controlled by, directly or indirectly, the individuals who, as of Issue Date, are the ultimate owners of CPG or AOCH1, as applicable.</p> <p>For purposes of this definition, “control” means the possession, directly or indirectly, by a person of the power to elect and remove at least a majority of the total number of the board of directors or other governing body of the corporation, or otherwise direct or cause the direction of management and policies of the corporation, whether through ownership of voting securities, contract or otherwise; provided, that a person’s direct ownership of voting securities of over fifty percent (50%) of the issued and outstanding voting capital stock of the corporation is deemed to constitute control of that corporation. “Controlled by” shall have the corresponding meaning.</p> <p>If a Change in Control Event has occurred, ALCO may at any</p>

		<p>time redeem the Series C Preferred Shares, subject to the conditions stated under “<i>Optional Redemption</i>”. Unless the Series C Preferred Shares are redeemed within thirty (30) days from the occurrence of a Change in Control Event, the Dividend Rate will be increased as provided under “<i>Optional Redemption</i>”.</p> <p>At any time before the occurrence of Change in Control Event, or on the date of such occurrence, or within seven (7) Banking Days from the occurrence of a Change in Control Event, ALCO, acting through its Corporate Secretary or through such other officer as may be authorized by its Board of Directors, shall give written notice to the Stock Transfer Agent, the SEC and the PSE, of the Change in Control Event. Other Rights and Incidents Relating to the Series C Preferred Shares

The following are other features which may apply to the Series C Preferred Shares (and other classes of ALCO's stock). The following discussion does not purport to be a complete listing of features as may be applicable to the Series C Preferred Shares, and should be read together with, and is qualified in its entirety by reference to, the additional information appearing elsewhere in the Prospectus, this Offer Supplement, including, but not limited to, the discussion on the "Terms of the Offer", the Articles of Incorporation and By-Laws of the Company (each as amended to date), the Deed Poll, the Application to Purchase and applicable laws and regulations.

No Pre-emptive Rights

The Articles of Incorporation of the Company currently deny pre-emptive rights to holders of shares of stock of the Company, and hence, including holders of Series C Preferred Shares, over all issuances of the Company's shares. However, shareholders representing at least two-thirds of the Company's issued and outstanding capital stock voting at a shareholders' meeting duly called for the purpose may amend the Articles of Incorporation to grant pre-emptive rights to subscribe to a particular issue or other disposition of shares from the Company's capital. Pre-emptive rights shall not extend to shares to be issued in compliance with laws requiring stock offerings or minimum stock ownership by the public; or to shares to be issued in good faith with the approval of the shareholders representing two-thirds of the outstanding capital stock in exchange for property needed for corporate purposes or in payment of a previously contracted debt.

Restrictions on Ownership of ALCO's Shares by Non-Philippine Nationals

Article XII, Section 7 of the Constitution, in relation to Chapter 5 of the Commonwealth Act No. 141, states that no private land shall be transferred or conveyed except to citizens of the Philippines or to corporations or associations organized under the laws of the Philippines at least 60% of whose capital is owned by such citizens. While the Philippine Constitution prescribes nationality restrictions on land ownership, there is generally no prohibition against foreigners owning buildings and other permanent structures. However, pursuant to Republic Act No. 4726 (as amended), with respect to condominium developments, the ownership of condominium units where the common areas in the condominium project are co-owned by the owners of the separate units or owned by a corporation is limited to up to 40% foreign equity. Foreign ownership in the Company shall be limited to a maximum of 40% of the Company's total issued and outstanding capital stock entitled to vote in the election of directors and total issued and outstanding capital stock, whether or not entitled to vote. Accordingly, the Company cannot allow the issuance or the transfer of Preferred Shares and cannot record transfers in the books of the Company if such issuance or transfer would cause the Company to be in breach of the restrictions on foreign land ownership discussed above.

ALCO is engaged in real estate business, the nature of which necessitates it to own land. Accordingly, the Series C Preferred Shares and ALCO's other shares may be owned or subscribed by or transferred to any person, partnership, association or corporation regardless of nationality, provided that ALCO does not breach the nationality requirement under the Philippine constitution and other applicable laws.

Appraisal Rights

The Corporation Code of the Philippines grants a stockholder a right of appraisal in certain circumstances where such stockholder has dissented and voted against a proposed corporate action, including:

- An amendment to the Articles of Incorporation which has the effect of changing or restricting of any stockholder or class of shares, or of authorizing preferences in any respect superior to those of outstanding shares of any class, or of extending or shortening the term of corporate existence of the corporation;
- The sale, lease, exchange, transfer, mortgage, pledge or other disposal of all or substantially all of the corporate property and assets as provided under the Corporation Code of the Philippines;
- The investment of corporate funds for any purpose other than the primary purpose of the corporation; and
- A merger or consolidation.

Moreover, the Corporation Code of the Philippines provides that any change in the corporate term of a corporation shall be without prejudice to the appraisal right of dissenting stockholders.

In these circumstances, the dissenting stockholder may by making a written demand on the Company for the payment of the fair value of shares held within thirty (30) days from the date the vote was taken. Failure to make the demand within such period shall be deemed a waiver of the appraisal right. If within sixty (60) days from approval of the corporate action by the stockholders, the withdrawing stockholder and the corporation cannot agree on the fair value of the shares, it shall be determined and appraised by three (3) disinterested persons, one of whom shall be named by the stockholder, one by the corporation, and the third by the two thus chosen.

The dissenting stockholder will be paid the fair value of the shares as of the day before the vote was taken, upon surrender of the stock certificates representing the stockholder's shares, if the corporate action in question is implemented and the corporation has unrestricted retained earnings sufficient to support the purchase of the shares of the dissenting stockholders.

Right of Inspection and Disclosure Requirements

Philippine stock corporations are required to file an annual General Information Sheet, which sets forth data on their management and capital structure, and copies of their annual financial statements with the SEC. Corporations must also submit their annual financial statements to the SEC and the BIR. Corporations whose shares are listed on the PSE are also required to file current, quarterly and annual reports with the SEC and the PSE, and other types of disclosures. Stockholders are entitled to require copies of the most recent financial statements of the corporation in the form and substance of financial reporting required by the SEC, within ten (10) days from receipt of a written request. Use of Proceeds from the Offer

Cebu Residential Project

ALCO is in discussions with the owner of a prime property located inside the foremost business district of Cebu City to jointly develop the property into the first premier, dual certified, sustainable residential condominium in Cebu City. The property is in excess of 2,000 sqm and is expected to be developed into approximately 27,000 sqm of GFA and approximately 21,000 sqm of NSA. The Cebu Residential Project is intended to be funded through an optimal mix of term loans, pre-selling and equity or shareholder loans from ALCO and a possible strategic partner for the project.

To fund its estimated share in the Cebu Residential Project, ALCO is allocating Php300 million from the proceeds of the Offer and estimates that this will be disbursed between Q3 2019 and Q4 2019.

The project is still in the stage of negotiations for the acquisition of the property and there are no definitive agreements entered into or signed yet. Should the negotiations not close as planned, project cost and schedule would be subject to change. ALCO will disclose any changes in the planned use of proceeds in accordance with the disclosure rules of the SEC and the PSE.

Makati Residential Project 2

ALCO is in discussions for the acquisition of a prime property located inside the Makati Central Business District. ALCO intends to develop the property into a high-end residential condominium. The property is approximately 1,800 sqm and is expected to be developed into approximately 29,000 sqm of GFA and approximately 22,500 sqm of NSA. The Makati Residential Project 2 is intended to be funded through an optimal mix of term loans, pre-selling and equity or shareholder loans from ALCO and a possible strategic partner for the project.

To fund its estimated share in the Makati Residential Project 2, ALCO is allocating Php530 million from the proceeds of the Offer and estimates that this will be disbursed between Q4 2019 and Q1 2020.

The project is still in the stage of negotiations for the acquisition of the property and there are no definitive agreements entered into or signed yet. Should the negotiations not close as planned, project cost and schedule would be subject to change. ALCO will disclose any changes in the planned use of proceeds in accordance with the disclosure rules of the SEC and the PSE.

General Corporate Purposes

The Company plans to allocate the balance of the net proceeds from the Offer of Php154,116,072.83 for general corporate purposes which may include funding working capital requirements, funding for future acquisition of properties when the opportunities arise or earmarking of funds for the retention of retail or commercial units in any of the Company's projects to increase recurring lease revenues. The Company expects to disburse this between Q3 2019 to Q1 2020.

All the foregoing discussion represents a best estimate of the use of proceeds of the Offer based on the Company's current plans and anticipated expenditures, and the actual amount and timing of disbursement of the net proceeds from the Offer will depend on various factors which include, among others, changing market conditions or new information regarding the cost or feasibility of the Company's plans and projects. Actual allocation of net proceeds by the Company may vary from the foregoing discussion as the Company's management may find it necessary or advisable to reallocate the net proceeds within the categories described above or to use such net proceeds for other corporate purposes. Likewise, it is possible that the timeline for the implementation of the projects or otherwise the use of the proceeds as discussed above may be delayed. In the event that there is any change in the Company's development plan, including *force majeure* and circumstances, such as (i) failure to acquire the intended property for any of the projects, (ii) failure to obtain requisite approvals, (iii) changes in government policies that would render any of the above plans not commercially viable and (iv) changes in market conditions, the Company will carefully evaluate the situation and may reallocate the proceeds for other projects or for future investments and/or hold such funds on short term deposit, whichever is better for the Company's and its shareholders' collective interest. In such event, the Company will issue a public disclosure if there is any change in the above proposed use of proceeds and shall accordingly inform the SEC, the PSE and its shareholders at least thirty (30) days prior to its implementation.

In the event that the actual expenses are more than the estimates, or the actual net proceeds are less than the projected net proceeds, the Company will utilize said net proceeds based on their order of priority and will use internally-generated funds and bank loans to finance the shortfall, or delay or abandon one or more of the components of its plans. In such an event, the Company shall inform the SEC, the PSE and its shareholders at least thirty (30) days prior to its implementation.

In the event of any significant deviation, material adjustment or reallocation in the planned use of proceeds, the Company will secure the approval of its Board of Directors for such deviation, adjustment or reallocation and promptly make the appropriate disclosures to the SEC and the PSE. The Company shall regularly disclose to the PSE, through the PSE Electronic Disclosure Generation Technology ("**PSE EDGE**"), any disbursements from the proceeds generated from the Offer. In addition, the Company shall likewise submit via the PSE EDGE the following disclosure to ensure transparency in the use of proceeds:

- (i) Any disbursements made in connection with the planned use of proceeds from the Offer;
- (ii) Quarterly Progress Report on the application of the proceeds from the Offer on or before the first fifteen (15) days of the following quarter. The quarterly progress report should be certified by the Company's Chief Financial Officer or Treasurer and external auditor;
- (iii) Annual Summary of the application of proceeds on or before January 31 of the year following the initial public offering. The annual summary report should be certified by the Company's Chief Financial Officer or Treasurer and external auditor; and
- (iv) Approval by the Company's Board of Directors of any reallocation on the planned use of proceeds, or of any change in the work program. The actual disbursement or implementation of such reallocation will be disclosed by the Company at least thirty (30) days prior to the said actual disbursement or implementation.

The quarterly and annual reports of the Company as required in items (ii) and (iii) above must include a detailed explanation for any material variances between the actual disbursements and the planned use of proceeds in this Offer Supplement. Such detailed explanation will state the approval of the Board of Directors as required in item (iv) above.

Except as otherwise disclosed in this Offer Supplement, none of the proceeds from the Offer will be used to reimburse any officer, director, employee or shareholder of the Company for services, assets or money previously rendered, transferred, advanced or otherwise, or to repay any of the Company's debt or liabilities to BDO Capital or any of its affiliates.
